

futureSAX – SAXONY'S ECOSYSTEM FOR INNOVATION AND GROWTH

futureSAX is the central point of access to the Saxon start up, transfer and innovation ecosystem with the aim of making the innovation actors and the innovation country visible. Through a variety of measures, futureSAX sets growth impulses for sustainable innovations, connects innovators from industry and science across industries and increases the effectiveness of innovation processes. In addition, futureSAX connects capital providers with start-ups and growth companies and strengthens the exchange at eye level between private and institutional capital providers and companies. The Saxon innovation conference is an annual highlight and the meeting point for all players and innovation interested parties in the Free State of Saxony.

Increasing visibility and strengthening the culture of innovation

futureSAX helps to maintain and strengthen the Saxon spirit of entrepreneurship and invention. Through continuous online communication, the success stories of entrepreneurship and founding spirit are told.

Increase awareness

Take the opportunity to make your idea/your project visible and present it to a broad public: futureSAX is the organizer of the Saxon State Awards for founding, transfer and innovation. As part of the InnoStartBonus start-up support programme, futureSAX is responsible for the competitive selection process and the accompanying phase.

Connecting people

Do you need partners, are you looking for an exchange of experience or would you like to get information? Then use the strong futureSAX network with more than 10,000 contacts to innovative players in the areas of Start-ups, Companies, Capital, Transfer and NextGen (youth) as well as numerous multipliers and representatives from politics and administration.

Enabling and promoting exchange of experience

Profit from the exchange at eye level. futureSAX organizes target group specific sub-networks. Find your contact person in the Saxon Start-up Partner Network, the Saxon Transfer Network and the Saxon Mentoring Network. And get access to the futureSAX alumni circle as well as the futureSAX Investors Network.

Setting impulses

Maintain the overview and keep your finger on the pulse of Saxony's innovation ecosystem. Every year, futureSAX organizes many networking events, workshops and other informative and interactive formats that provide new contacts, up-to-date knowledge and valuable impulses across industries.

Supporting growth

futureSAX increases the efficiency of innovation processes and supports Saxon innovators in implementing their ideas, business models and growth concepts. Through access to knowledge and formats such as the Saxon Transfer Roadshow, the Innovation Exchange, access to capital through the Saxon Investor Roadshow and futureSAX Matchings, concrete growth impulses are given.
